

# Burning Bright (Live from Washington State)

## Shinedown

I feel like there is no need for conversation  
Some questions are better left without a reason  
And I would rather reveal myself than my situation  
Now and then I consider my hesitation The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning, burning bright I wonder if the things I did were just to be different  
To spare myself of the constant shame of my existence  
And I would surely redeem myself in my desperation  
Here and now I'll express my situation The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning bright  
The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning There's nothing ever wrong, but nothing's ever right  
Such a cruel contradiction  
I know I crossed the line, it's not easy to define  
I'm born to indecision  
There's always something new, some path I'm supposed to choose  
With no particular rhyme or reason The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning bright  
The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning I feel like there is no need for conversation
