

I Do Me

Frankee

I don't need to be the one that walks around
Without a smile on my face, don't need a frown on my face
I don't care 'bout yesterday, threw all my numbers away
Ever since you came to me, showed me the things I could not see
Baby, now you're the one who understands
Out of all the guys I met you make me smile
Every time you get close, my emotions run away
How ya make me feel this way, I don't know but boy
I think you've got me I'm not beefin'
I'm not fussin'
I'm not stressing you
I'm just sayin' is I'm open off of how you do I'm not buggin'
It feels so good when I'm touching you
All I'm sayin' is I'm open off of loving you I never have to wait, wait for you to call
'Cause all of the silly chicks you're used to
Can't come close to me at all And there ain't neva' been a time
When you would not ride for me
'Cause I'll be the one to wash your hair
Be everything you need I never thought that everyday could be a sunny day
But baby, since you came into my world
I have something I can celebrate
