The Heat Is On

Gloria Gaynor

The heat is on, on the street
Inside your head, on every beat
And the beat's so loud, deep inside
The pressure's high, just to stay alive
'Cause the heat is onOh woo oh ho, oh woo oh ho
Caught up in the action I've been looking out for you
Oh woo oh ho, oh woo oh ho
Tell me can you feel it? Tell me can you feel it?
Tell me can you feel it?The heat is on, the heat is on
The heat is on, it's on the street
The heat is onOh woo oh ho, oh woo oh ho
Caught up in the action I've been looking out for you
Oh woo oh ho, oh woo oh ho
Tell me can you feel it? Tell me can you feel it?
Tell me can you feel it?The heat is on, the heat is on
The heat is on, it's on the street
The heat is onThe shadows are on the darker side
Behind those doors, it's a wilder ride
You can make a break, you can win or lose
That's a chance you take when the heat's on you
When the heat is onOh woo oh ho, oh woo oh ho
Caught up in the action I've been looking out for you
Oh woo oh ho, oh woo oh ho
Tell me can you feel it? Tell me can you feel it?
Tell me can you feel it?The heat is on, the heat is on
The heat is on, it's on the street
The heat is on, the heat is on
The heat is on, it's on the street
The heat is on, the heat is on
