Everyone I Know

The Moth And The Mirror

I don't want to see you like this
I just don't wanna see you
I don't want to see you like this
I just don't wanna see you

You blue eyes turn black to me-
You blue eyes turn black
You blue eyes turn black to me-
You blue eyes turn black

You'll be ok
Why don't you stop and take a breath?
You'll be ok
Raise your chin i'll face the rest
You'll be ok
Although you look like death to me
You'll be ok
Be brave and don't give up today
You'll be ok-

You stood and stared right though me
Just stood and stared
You stood and stared right through me
Just stood and stared

Tied my limbs and tied my eyes and tied my face through all these lies

I don't have the heart for this-
I don't have the heart
I don't have the heart for this-
I don't have the heart

Aaaaaaaaa-
