Black Diamond (Live At Wacken 2015)

Stratovarius

Again I see you standing there watching me
Your gaze, those eyes are tantalizing openly
Inviting me to get close to you
Can't help myself
There's fascination in the airI try to fight this strong sensation
But there's no chance to escape from this temptation
Feels like I've known you before
Repeating phrases
But I yearn for something moreI know I can't stay by your side forever
But I know I won't forget your beauty
My black diamondI know I can't stay by your side forever
But I know I won't forget your beauty
My black diamond
