

# I'll Never Be Anybody's Hero Now

[Morrissey](#)

Warm lights from the grand houses blind me  
Haves cannot stand, 'Have Nots'  
And my love is under the ground  
My one true love is under the ground And Ill never be, Ill never be  
Ill never be anybody's hero now  
Ill never be, Ill never be  
Ill never be anybody's hero now They who should love me, walk right through me  
I am a ghost and as far as I know I haven't even died  
And my love is under the ground  
My one true love is under the ground And Ill never be, Ill never be  
Ill never be anybody's hero now  
Ill never be, Ill never be  
Ill never be anybody's hero now See as I, see as I, see as I Ill never be, Ill never be  
Ill never be anybody's lover now  
Ill never be, Ill never be  
Ill never be anybody's lover now Things I've heard and I've seen, and I've felt, and I've been  
Tell me Ill never be anybody's lover now  
It begins in the heart and it hurts when it's true  
It only hurts, because it's true
