

Too Long Here (With Alex G)

Ryan Hemsworth

Who ever thought of a big train
Going right in your mouth
I had scissors in a [?]
Going right in your mouthx3
Too long here to keep to myself
I keep to myself
What did I say?I met a kid on my trip
Told me to open my mouth
Is this life, where am I?
Did I figure it out?x3
Six, seven, or the number I dropped
I must've forgot, what did I say?
Sick, staring at the kid that I lost
I must've forgot, what did I say?
Cut something, but it wasn't my fault
I must've forgot, what did I say?
