

# **Erotica (DJ Bill Bennett's 2010 Remix)**

## **Madonna**

Erotica, romance  
Erotica, romance  
My name is Dita  
I'll be your mistress tonight  
I'd like to put you in a tranceIf I take you from behind  
Push myself into your mind  
When you least expect it  
Will you try and reject it  
If I'm in charge and I treat you like a child  
Will you let yourself go wild  
Let my mouth go where it wants toGive it up, do as I say  
Give it up and let me have my way  
I'll give you love, I'll hit you like a truck  
I'll give you love, I'll teach you how toI'd like to put you in a trance, all over  
Erotic, erotic, put your hands all over my body  
Erotic, erotic, put your hands all over my body  
Erotic, erotic, put your hands all over my body  
Erotic, eroticOnce you put your hand in the flame  
You can never be the same  
There's a certain satisfaction  
In a little bit of pain  
I can see you understand  
I can tell that you're the same  
If you're afraid, well rise above  
I only hurt the ones I loveGive it up, do as I say  
Give it up and let me have my way  
I'll give you love, I'll hit you like a truck  
I'll give you love, I'll teach you how toI'd like to put you in a trance, all over  
Erotic, erotic, put your hands all over my body  
Erotic, erotic, put your hands all over my body  
Erotic, erotic, put your hands all over my body  
Erotic, eroticErotica, romance  
I'd like to put you in a trance  
Erotica, romance  
Put your hands all over my bodyI don't think you know what pain is  
I don't think you've gone that way  
I could bring you so much pleasure  
I'll come to you when you say  
I know you want me

I'm not gonna hurt you  
I'm not gonna hurt you, just close your eyesErotic, erotic  
Erotic, erotic (just close your eyes)  
Erotic, erotic  
Erotic  
Put your hands all over my body  
All over me, all over meErotica, (give it up, give it up) romance  
I'd like to put you in a trance  
Erotica, (give it up, give it up) romance  
I like to do a different kind of  
Erotica, (give it up, give it up) romance  
I'd like to put you in a trance  
Erotica, romance  
Put your hands all over my bodyOnly the one that hurts you can make you feel better  
Only the one that inflicts pain can take it awayErotica
