So Cold

Breaking Benjamin

Crowded streets all cleared away

One by one

Hollow heroes separate

As they runYou're so cold

Keep your hand in mine

Wise men wonder while

Strong men dieShow me how it ends

It's alright

Show me how defenseless

You really are

Satisfied and empty inside

That's alright

Let's give this another tryIf you find your family

Don't you cry

In this land of make believe

Dead and dryYou're so cold

But you feel alive

Lay your hands on me

One last timeShow me how it ends

It's alright

Show me how defenseless

You really are

Satisfied and empty inside

That's alright

Let's give this another tryShow me how it ends

It's alright

Show me how defenseless

You really are

Satisfied and empty inside

That's alright

Let's give this another tryIt's alright

It's alright
