

Too

Jonah Taylor

Mama said look before you leap,
And Iâ€™m glad Iâ€™m lookin at you.
Mama said that youâ€™re a keeper,
I said I think so too.
And now Iâ€™m, Dancin around my room,
She makes me feel just like itâ€™s June.
Mama said that youâ€™re so special,
I said I think so too.
And she said son, thereâ€™ll be a day,
When all the friends you had,
pack up and move to Maine.
I hope you gave them everything you had,
I hope you have them every dance,
I hope you showed them something special,
I said I hope so too.
Causeâ€™ Mama said look before you leap,
And Iâ€™m glad Iâ€™m lookin at you.
Mama said that youâ€™re a keeper,
I said I think so too.
And now Iâ€™m, dancin around my room,
She makes me feel just like itâ€™s June.
Mama said that youâ€™re so special,
I said I think so too.
I didnâ€™t know,
I was lost for words,
â€™till I tried to write you a song.
You didnâ€™t know,
That I was there,
â€™Till Iâ€™d been there all along.
And when I say I got a lot on my mind,
Thatâ€™s not true. Itâ€™s just you.
And she said son, thereâ€™ll be a day,
When all the friends you had,
pack up and move to Maine.
I hope you gave them everything you had,
I hope you have them every dance,
I hope you showed them something special,
I said I hope so too.
Causeâ€™ Mama said look before you leap,

And Iâ€™m glad Iâ€™m lookin at you.
Mama said that youâ€™re a keeper,
I said I think so too.
And now Iâ€™m, dancin around my room,
She makes me feel just like itâ€™s June.
Mama said that youâ€™re so special,
I said I think so too.
Causeâ€™ Mama said look before you leap,
And Iâ€™m glad Iâ€™m lookin at you.
Mama said that youâ€™re a keeper,
I said I think so too.
And now Iâ€™m, dancin around my room,
She makes me feel just like itâ€™s June.
Mama said that youâ€™re so special,
I said I think so too.
