

# Sweet Caroline

## The Gap Band

Sweet Caroline  
Loved you with all of my heart  
Sweet Caroline  
Don't want to ever part  
That wouldn't be very smart  
I need you for my wife  
Time's too short in my life How I love you Sweet Caroline  
Told me you believed in me  
Sweet Caroline  
All the time deceiving me  
Telling me that you needed me  
Can't see how you're leaving me  
Don't know how to make you see  
That I love you Ooooooo Sweet Caroline  
Oh Sweet Caroline Oh Oh
