

# In a Rhyme

## No Fun at All

Ticke ticke, talking around my head  
Voices everywhere  
Covering my ears and hope they will  
Vanish in the airSome precious moments hoping  
They will last forever  
Some precious momentsFor a while I find everything I need  
For a while I find everything I needTicke ticke, talking within my room  
Staring at the wall  
Memories are passing through my mind  
And I can recall
