

Theme From Two Steps Onward

[R.E.M.](#)

If you hear this, look again, don't be a stranger
Don't be a shadow to this boy Steal me a listen, steal me a song
Turn the TV on it's side Write a letter, give a call
Let me know you're alive and doing well I'll follow you in, I'll be at your [Incomprehensible] worlds collide
Not too long, little can calm the stone you left behind my eyes Write a letter, give a call
Let me know you're alive and doing well
It's everything for two, don't be a stranger
Don't be a shadow to this boy It's nothin' but three, a quarter past evenin'
The quarter you live in haunts my eyes Write a letter, give a call
Let me know you're alive and doing well
It's everything for two, don't be a stranger
Don't be a shadow to this boy Don't be a stranger, don't be a shadow
Don't be a shadow to this boy
Don't be a shadow to this boy
Don't be a shadow to this boy
