Goodbye tin terriers (live)

Kula Shaker

Oh, you told me that the mystery was gone,
Oh, you told me that the song had been sung,
Are you so sure that we know,
As the images flicker and glow?
Everyone's waiting to find,
Waiting to find.
Oh, you told me that the mystery was gone,
Oh, and nothing will be sacred for long,
This is the start of the show,
There's a secret that's waiting to blow,
Everything's waiting to find,
Waiting to find.
Oh, well if you're trying to see,
Something beautiful, magic and free,
Don't think you're wasting your time,
Everything's waiting to find,
Waiting to find.
