

# Pigeon Farm

## Marcy Playground

If you could see in my eyes  
I'd show you a darling, surprise  
There is a place, there is a fortune  
It has everything and  
I want to share it with my friends So please don't be so afraid  
'Cause there's nobody insane Here, here on the pigeon farm  
Here, here on the pigeon farm  
Here, here I'm the pigeon farm boy Out where the sun's in my eye  
And out where the hills hit the sky  
There is a place, there is a fortune  
It has everything to  
Help you fit in with everyone So please don't be so afraid  
'Cause there's nobody insane Here, here on the pigeon farm  
Here, here on the pigeon farm  
Here, here I'm the pigeon farm boy So, please don't be so afraid  
'Cause there's nobody insane Here, here on the pigeon farm  
Here, here on the pigeon farm  
Here, here I'm the pigeon farm boy
