

Woman A Pressure Me

Shaggy

The gal say, it's about time she get the ring apan her finger
Talk about that sake a that she leave, I man a linger
I man now go the altar, hey
Beverly you, deh yah gal you looking good
Want me take out to the altar, if only I could gal
Me and my bother, me don't know if I should
A man don't want a marriage if him know it is not good you hear
Woman a pressure me left I man a linger
Say me now get her till the ring deh apan her finger
Gal, just a pressure me left Shaggy a linger
She say me now get her till the ring deh apan her finger
Love me, Beverly well now she sweet and she tender
Deh with her from nineteen, can't remember
Everyday, she see me just a pressure fi me fender
Talk 'bout how she want the ring pan her finger
Me promise her the ring she set the wedding fi December
Invite her friend and all her the family member
Me really couldn't see me self a step up to no altar, yes
Woman a pressure me left Shaggy, a linger
Say me now, get her till the ring deh apan her finger
Gal, just a pressure me left I man a linger
She say me now get her till the ring deh apan her finger
I want to settle the score before me go apan tour
But she wouldn't even let me through the damn front door
Me say nights after nights, I man a sleep apan der floor
Well now I try to hit the kitten and she said, "No more"
True me, love me sweetie pie I can't take it no more
Anyhow, she get the ring you know me life gone now for sure, yes
Woman a pressure me left I man a linger
Say me now get her till the ring deh apan her finger
Gal, just a pressure me left Shaggy a linger
She say me now get her till the ring deh apan her finger
Before you tie the knot well everything looks sweet
Now she wash, she cook, she clean and keep
Your house sparkling clean
Keep her body in a shape, young fresh and green
All when she a twenty-five years when she a sixteen
When you say, "I do" you probably think it's a dream
All at a sudden it's like the beauty turn in the beast

If I me you want marry, let me put you at ease
I rather gone roam this place
Like them damn Lego beast, Shaggy say
Woman a pressure me left I man a linger
Say me now get her till the ring deh apan her finger
Gal, just a pressure me left I man a linger
She say me now get her till the ring deh apan her finger
Love me, Beverly well now she sweet and she tender
Deh with her from nineteen, can't remember
Everyday, she see me just a pressure fi me fender
Talk about how she want the ring apan her finger
Me promise her the ring she set the wedding fi December
Invite her friend and all her the family member
Me really couldn't see me self a step up to no altar, yes
Woman a pressure me left I man a linger
Say me now get her till the ring deh aapan her finger
Gal just a pressure me left Shaggy a linger
She say me now get her till the ring deh apan her finger
Beverly you deh yah gal you looking good
Want me take out to the altar if only I could, gal
Me had a bother me don't know if I should
A man don't want a marriage if him know it is not good, you hear
Woman a pressure me left I man a linger
Say me now get her till the ring deh apan her finger
Gal just a pressure me left Shaggy a linger
She say me now get her till the ring deh apan her finger
I want to settle the score before me go apan tour
But she wouldn't even let me through the damn front door
Me say nights after nights, I man a sleep apan floor
Well now I try to hit the kitten and she said, "No more"
True me, love me sweetie pie I can't take it no more
Anyhow, she get the ring you know me life gone now for sure, yes
Woman a pressure me left Shaggy a linger
