

# Punk Won

## Down By Law

i'm gonna give you a straight answer  
i'm gonna lay it all out on the line  
i've thought it all a million times now  
and i'm not gonna turn back this time  
there was a time when you and I were taking on the world  
we believed in what you told us  
so please don't tell me that you've changed your ways  
it's all depending on your frame of mind  
my faith is gonna get me through these days  
there was a time when you and I were taking on the world  
there was a time when you and I  
we shared a different way  
is there still time today?  
It's time to lay it on the line  
to lay it on the line  
to lay it on the line
