

# Portions For Foxes

## Caught a Ghost

There's blood in my mouth 'cause I've been biting my tongue all week  
I keep on talkin' trash but I never say anything  
And the talkin' leads to touchin'  
and the touchin' leads to sex  
and then there is no mystery left  
And It's bad news  
Baby I'm bad news  
I'm just bad news, bad news, bad news  
I know I'm alone if I'm with or without you  
but just bein' around you offers me another form of relief  
When the loneliness leads to bad dreams  
and the bad dreams lead me to callin' you  
and I call you and say "C'MERE!"  
And it's bad news  
Baby I'm bad news  
I'm just bad news, bad news, bad news  
And it's bad news  
Baby it's bad news  
It's just bad news, bad news, bad news  
'Cause you're just damage control  
for a walking corpse like me - like you  
'Cause we'll all be  
Portions for foxes  
Yeah we'll all be

Portions for foxes  
There's a pretty young thing in front of you  
and she's real pretty and she's real into you  
and then she's sleepin' inside of you  
and the talkin' leads to touchin'  
then touchin' leads to sex  
and then there is no mystery left  
And it's bad news  
I don't blame you  
I do the same thing  
I get lonely too  
And you're bad news  
My friends tell me to leave you  
That you're bad news, bad news, bad news

That you're bad news  
Baby you're bad news  
and you're bad news  
Baby you're bad news  
and you're bad news  
I don't care I like you  
and you're bad news  
I don't care I like you  
I like you
