

Oh Love (feat. Carrie Underwood)

Brad Paisley

[Brad Paisley]

Strong like a mother holds her child

Free as horses runnin' wild

And real as a prayer on a lonely night

And sure as the ocean tide[Chorus: Both]

Oh love

Oh love

All the many colors that you're made of

You heal

You bleed

You're the simple truth and you're the biggest mystery

Oh love

Oh love[Carrie Underwood]

Deep as the life from God's own breath

Endless even after death

Gone like the sunset[Brad Paisley]

You can break a heart in pieces

Put it back together again[Carrie Underwood]

You can break down sweet forgiveness

You're the one that never ends[Both]

Oh love mmm ooh[Chorus]Hey yeah yeah yeah yeah yeah

Hey yeah yeah yeah yeah yeah

Hey yeah yeah yeah yeah yeah
