

# Impossible

Anberlin

You make my teeth clinch and my hands shake  
Do you ever see what you do to me?  
Wearing me out, just wearing me out  
But I'm wearing you down You're impossible to love me  
So impossible to win or breathe  
I'm wearing you out just wearing you out  
But I'm wearing you down Take what you want from me  
It means nothing now  
Take everything from me it means nothing now  
Not so easy to forgive, harder to forget  
Take what you want I make your lips moan, and your moans quake  
Try to think through  
What I can do to you  
It's wearing you thin  
Can I begin to wear you out Take what you want from me  
It means nothing now  
Take everything from me it means nothing now  
Not so easy to forgive, harder to forget  
Take what you want I'm impossible to figure out  
So impossible you had your doubt Take what you want from me  
It means nothing now  
Take everything honey it means nothing now  
Not so easy to forgive, harder to forget  
Take what you want from me it means nothing now  
Take everything honey it means nothing now  
Not so easy to forgive, harder to forget  
Take what you want from me Take what you want from me
