Small Paradise

John Mellencamp

Two veteran lovers french kiss in the doorway
Their ears are cold but their hearts are so warm
A country band playin' down the street's just a little way
They're whiskey wild, they keep it up until dawnSmall Paradise
I'm glad to see everything's alright with you
Alright then hold me tight and kiss me
Small ParadiseA neon sign blinks outside in the pouring rain
It's ladies night, free drinks until 10
Some people walk on by, hey girl don't I know you?
Won't you come on in?
Well it ain't love but it ain't badSmall Paradise
I'm glad to see everything's alright with you
Alright then hold me tight and kiss me
Small ParadiseSmall Paradise
I'm glad to see everything's alright with you
Alright then hold me tight and kiss me
