

Sweet and Easy to Love

[Roy Orbison](#)

Well it's so sweet and easy to love you
Like I do yes it's true I love you
And it's so sweet and easy to want you
On my mind all the time say you're mine I want you to say you'll always stay and be my love so true
Because I know if you ever go I won't get over you
'Cause it's so sweet and easy to love you
Like I do yes it's true I love you Well it's so sweet and easy to love you
Like I do yes it's true I love you
And it's so sweet and easy to hold you
Close to me, lovingly, tenderly Now I will never love another I want only you
I want to say in every way that you're my dream come true
'Cause it's so sweet and easy to love you
Like I do yes it's true I love you
I love you, I love you
