

# Horse To Water (Live In London)

R.E.M.

I could have kept my head down  
I might have kept my mouth shut  
I should have held my own,  
You lead a horse to water and you watch him drown. You're only as big as your battles.  
Rattle my cage with your shadow.  
I'm a phantom-weight with a mouth full of feathers,  
Don't you know that what comes around goes around?[Chorus]  
I'm not that easy,  
I am not your horse to water.  
I hold my breath I come around, round, round. Don't darken my doorstep again,  
You're mixing up living in chin-chin,  
You're mixing up lose with win-win,  
You lead a horse to water and you watch him drown. You stumble on glass top table,  
TV's chewing shock-gone cable  
Pump me up a beanstalk fable  
And I'll call this entertainment  
Cause Humpty's falling down.[Chorus] Pick a fight an ultra-buzzy bubble  
Friday night f\*\*kin' fried-up pub crawl  
Phantom-weight with a mouth full of feathers,  
Don't you know that what comes around goes around?[Chorus] It's not that easy  
I am not your horse to water  
I hold my breath, I come around, round, round  
It's going down, down, down  
This runaround, round, round  
Is bound to pound  
The daylights out of you!
