Ancient Jules

Steve Gunn

You were lost
On the road from a different way
Pushed too far
Miles away
Figure it out
Jules would say
Take your time, ease up, look around and waste the daySlugs in the grass
Sky turned grey
Set out in the other direction and found the way
Lonely night
Covered in dust
He was down the stairs hangin just waitin for us
With a huge heavy sigh they'd hand to turn it up
Far from the world was the mystic foolYou were lost
On the road from a different way
Pushed too far
Miles away
Figure it out
Jules would say
Take your time, ease up, look around and waste the day
