

All Or Nothing

Athena Cage

It's the chance of life, get ready, set, fly high
But the fear of your mind, go for it
It's hit or miss, too late for you to quit
You gotta show 'em how bad you really want this, so
Live your dream, it's not as hard as it may seem
You gotta work to get the cream, on your hopes you must lean
From your fears, you have to win yourself
It's all or nothing, give your everything
Are what you believe, you got to bring the dreams
Set the pace, competitions take the lead
This is it, all eyes on you, so stay on point and prove
That you deserve what's long overdue
Live your dream, it's not as hard as it may seem
You gotta work to get the cream, on your hopes you must lean
From your fears, you have to win yourself
It's all or nothing, give your everything
The hardest to recovery, from the heartache of another kind
I'm still drying my tears, getting over my own fears

In my life so I wanna make sure this time
That I'm strong enough to give it my all
Live your dream, it's not as hard as it may seem
You gotta work to get the cream, on your hopes you must lean
From your fears, you have to win yourself
It's all or nothing, give your everything
Live your dream, it's not as hard as it may seem
You gotta work to get the cream, on your hopes you must lean
From your fears, you have to win yourself
It's all or nothing, give your everything
Live your dream, it's not as hard as it may seem
You gotta work to get the cream, on your hopes you must lean
From your fears, you have to win yourself
It's all or nothing, give your everything
So you gotta live your dreams so don't you be afraid
Just set the pace and take the lead, it's your time to shine
