

The Wanderer's Guild

Armor for Sleep

I can speak when I want to
And pour my voice 'til it burns
Through the core of my own throat
I'll speak until the demands gone
You should be downstairs with them
You're wasting your time again
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
I don't want to talk right now
Thank you for your concern
I can speak 'til the world ends
To make up for all that I left out
I'll register with the wanderers guild
And be a nomad with a billion words
You should be downstairs with them
You're wasting your time again
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
I don't want to talk right now
Thank you for your concern
Air conditioning
You can stay quiet all night
Air conditioning
You can stay quiet all night
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
I don't want to talk right now
Thank you for your concern
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
Listen, I'm fine now, listen, I'm fine now
Listen, I'm fine now
I don't want to talk right now
Thank you for your concern
