Breakdown n' Cry

Slaughter

I've got this hopeless feelin' so deep down inside
They telephones this mornin', said you weren't alive
You said you'd never leave me, but now that's not true
Oh darlin darlin darlin darlin darlin...if you only knew
I drown in emotion can't you see
You have taken every part of me
I'll hold you close on this last goodbye
But I know...I'll Break Down N' Cry
I'll Break Down N' Cry...Break Down N' Cry
I never ever wanted for it to end this way
I wish there was somethin' that I could say
You go your way, I guess I'll go mine
Oh baby, baby, baby, baby, baby
I'll love you till the end of time
I drown in emotion can't you see
You have taken every part of me
I'll hold you close on this last goodbye
But I know...I'll Break Down N' Cry...
Break Down N' Cry...Break Down N' Cry...
Cry...Cry...
I drown in emotion can't you see
You have taken every part of me
I'll hold you close on this last goodbye
But I know...I'll Break Down N' Cry
I'll Break Down N' Cry...Break Down N' Cry
Oh I don't wanna Break Down N' Cry...
