

Livin' On Love

[Ilse DeLange](#)

I didn't know what I was getting into
When I got my first taste of you
You were just what I was lookin' for
And once I had a little I had to have more 'Cause I'd wake up moanin' in the middle of the night
The sound of your name was all that sounded right
Ran back to your door all soaked with sweat
Had to have your kiss before I starved to death When you're livin' on love and it's all you need
A constant hunger that you've got to feed
Livin' on love and there ain't no doubt
It's the one thing you can't live without You can have the world
But you still wouldn't have enough
None of that matters when you're livin' on love
Nothing else matters when you're livin' on love Some folks just don't seem to understand
How I seem to survive on the touch of your hand
I don't need to eat, I don't need no rest
If I can get my fill of your tenderness When I get wore down and feelin' rough
A long cool drink from your lovin' cup
Makes me feel better, makes me feel strong
Have mercy on me if I find you gone When you're livin' on love and it's all you need
A constant hunger that you've got to feed
Livin' on love and there ain't no doubt
It's the one thing you can't live without You can have the world
But you still wouldn't have enough
None of that matters when you're livin' on love
Nothing else matters when you're livin' on love When you're livin' on love and it's all you need
A constant hunger that you've got to feed
Livin' on love and there ain't no doubt
It's the one thing you can't live without You can have the world
But you still wouldn't have enough
None of that matters when you're livin' on love
Nothing else matters when you're livin' on love Livin' on love
Livin' on love
Livin' on love
