

Yes Sir

Guerilla Black

Hello little girl, little boy, with the creams you have eaten
Crowling up your boys, Crowling down your face. We're going in that "Yes Sir"
We're going to paranoia
And I can't never pleased up
Why you are so glam. Remember when I was i he grocery store, now's my time
rock this world and never cline or bad away We're going in that "Yes Sir"
We're going to paranoia
And I can't never pleased up
Why you are so glam.
We're going in that "Yes Sir"
We're going to paranoia
And I can't never pleased up
Why you are so glam.
