

# Welcome to the Jungle

## They Might Be Giants

Welcome to the jungle, Jim  
Welcome to the jungle, Jim  
Welcome to it, JimWelcome to the jungle, Anne  
Welcome to the jungle, Dan  
Welcome to it, JohnThink you're gonna like  
I think you're gonna like it  
Once you've given the jungle a chanceThink you're gonna like it  
Once you've given it a chance  
In the jungleNow, you will be with me  
Put your hand in my hand  
Lift up the rock and see all the things  
That share the jungle with usWelcome to the  
Welcome to the trees, trees  
Push me in the face again  
Push me in the face again  
Push me in the faceDidn't really like, I didn't really like  
The last time when you pushed me in the face  
Didn't really like the last time when you pushed my face  
In the Jungle, now you will be with mePut your hand in my hand  
Lift up the rock and see all the things  
That live in the jungle with us  
Put your hand near the bugWe are so much like them  
See how the bug reacts to your hand  
In the same way as I do
