

# New Years Day

U2

Yeah! All is quiet on New Year's Day  
A world in white gets underway  
I want to be with you, be with you night and day  
Nothing changes on New Year's Day  
On New Year's Day I will be with you again  
I will be with you again Under a blood red sky  
A crowd has gathered, black and white  
Arms entwined, the chosen few  
The newspapers say, say Say it's true, it's true  
We can break through  
Though torn in two  
We can be one I, I will begin again  
I, I will begin again Oh, maybe the time is right  
Oh, maybe tonight I will be with you again  
I will be with you again And so we are told this is the Golden Age  
And gold is the reason for the wars we wage  
Though I want to be with you, be with you night and day  
Nothing changes on New Year's Day  
On New Year's Day  
On New Year's Day
