

# Soulful Love

## The Impressions

I try hard and do my best  
To bring about words to express  
To show you how much I appreciate  
Your soothing tendernessBut who can define soulful love  
How in your mind  
Can you, find a way, to say  
You got soulful loveIt seems the more I have to say  
Just takes me further away  
The most sincere thing on my mind  
I could never unwind  
For who can define soulful love  
How in your mind  
Can you, find a way, to say  
You got soulful loveYou've been the only girl  
In this world  
Who means so much to me  
I found out long ago  
I didn't know, how much I needed  
Someone like you  
To bring about happiness  
When things were blueAnd now that I've found soulful love  
Strange as it sound  
I still can't find a way to say  
You got soulful love, you got soulful love, you got soulful love  
You got soulful love, you got soulful love, you got soulful love  
You got soulful love, you got soulful love, you got soulful love  
You got soulful love, you got soulful love, you got soulful love  
You got soulful love, you got soulful love
