

Broken Knee

Dinosaur Pile-Up

Bro-ken knee.
Break- a, leg for me.
Heap-of rubble.
And stones, surrounds me.If you don't wanna work all night,
If you don't want the up-hill struggle,
Then i dont wanna waste my time,
Cos I don't want it,
Without you.Tie- a rope.
To-me, and let go.
Un-derneath.
Rubble, you'll find me.If you don't wanna work all night,
If you don't want the up-hill struggle,
Then i dont wanna waste my time,
Cos I don't want it,
Without you.I-I've been through,
The tunnel, and I don't wanna without,
Without you-I won't lie,
It's just around the corner
Cos I,
I-I've been through
The tunnel, and I don't wanna without,
Without you-I won't lie,
It's just around the cornerCos you don't wanna work all night,
Cos you don't want the up-hill struggle,
And I don't wanna waste my time,
But I don't want it,
Without you.
