

Blues Power

Derek and the Dominos

One, two, three, four
Bet you didn't think I knew how to rock n' roll
Lord, I got the boogie-woogie right down in my very soul
Ain't no need for me to be a wallflower
'Cause now I'm living on blues power
Knew all the time but now I'm gonna let you know
I got the boogie-woogie right down in my very soul
Ain't no need for me to be a wallflower
'Cause now I'm living on blues power
That you didn't think I knew how to rock n' roll
Lord, I got the boogie-woogie right down in my very soul
Ain't no need for me to be a wallflower
'Cause now I'm living on blues power
All the time but now I'm gonna let you know
I gotta keep on rocking, no matter if it's fast or slow
Ain't gonna stop until the twenty-fifth hour
'Cause now I'm living on blues power
