

Love Don't Live Here Anymore

[Madonna](#)

You abandoned me
Love don't live here anymore
Just a vacancy
Love don't live here anymore When you lived inside of me
There was nothing I could conceive
That you wouldn't do for me
Trouble seemed so far away
You changed that right away, baby You abandoned me
Love don't live here anymore
Just a vacancy
Love don't live here anymore Love don't live here anymore
Just emptiness and memories
Of what we had before
You went away
Found another place to stay, another home You abandoned me
Love don't live here anymore
Just a vacancy
Love don't live here anymore You're the windmills of my eyes
Everyone can see the loneliness inside me
Why'd ya have to go away (away)
Don't you know I miss you so and need your love You abandoned me
Love don't live here anymore
(Love don't live here anymore)
Just a vacancy
Love don't live here anymore You abandoned me
Love don't live here anymore
Live here anymore
Love don't live here anymore
Love don't live here anymore
No no don't, don't live live here anymore You abandoned me
Love don't live here anymore
No it don't live here anymore
Love, don't, live here (love don't live here anymore)
Anymore
It don't live here anymore
