

# Point of No Return

## Eloy

Jubliation,  
The dance and wine;  
The screams and shouts,  
Once so divine

Rude and reckless  
They turn the wheel  
Of fate and future  
Though their views concealed

Hesitation hinders  
And takes it's toll  
Swaying and falling  
With no control

The avalanche of no future  
Transcends into aimlessness  
The foundation of whole mankind  
Crumbles to a point of no return

Hesitation hinders and takes it's toll  
Swaying and falling they lose control  
Hesitation hinders and takes it's toll  
Swaying and falling they lose control

Mindless zoo of fools  
A borderless, guideless mass  
They're immune to echoing signs  
Thundering a in the past

No one but themselves as for  
To fight and handle with;  
No one but theirselves in the way  
Hesitation hinders and takes it's toll

Swaying and falling they lose control  
Mindless zoo of fools  
A borderless, guideless mass  
They're immune to echoing signs

Thundering a in the past  
No one but themselves as for  
To fight and handle with;  
No one but theirselves in the way
