

Heaven's Watching Over Me

[Lauren Talley](#)

I'm on a journey headed for home
the road may be long but I'm never alone
I know that heaven's watching over me
There's angels above me guarding my way
Guiding my steps by night and by day
I know that heaven's watching over me

CHORUS

My heavenly Father has a watchful eye
He'll never let me stumble through the valleys of life
I don't have to worry when my troubles are as black as can be
When it doesn't look like it's gonna work out right
My Lord's got me covered morning, noon and night
24-7 heaven's watching over me

God's busy working all things for my good
I know he'll protect me cause He told me He would
I know that heaven's watching over me
My friends and my loved ones all ready gone home
A great cloud of witnesses cheering me on
I know that heaven's watching over me

CHORUS x 2
