Reign On Me

HillaryJane

I woke up to a new day
Feelin' like a new grace
Washed me like a new wave
Let me sink in Your Love
Let Your Grace overcome, uh
I'm always doin' what I don't want
Wantin' what I don't have
Growin' where I most lack
Hide Your Truth in my heart
Give me strength where I'm not

And I can't run away from You no more!
Oh, yeah!

Let it reign on me
Let it reign on me
Let it reign on me
Wash me in Your Love, God
Let it reign on me (Ooh)
Let it reign on me, I know (Yeah)
Let it reign on me
Wash me in Your Love, God

Every day is stressin' me out, where's the light?
You're at the end of my tunnel when I'm feelin' like
Runnin' away from everything I thought I knew
Runnin' away from everyone, including You
But I ain't lookin' back no more
Got my hope in the clouds, but my eyes are forward, so
I can see for miles and miles!
Hands up if you feel the light!

And I can't run away from You no more!
Oh, yeah!

Let it reign on me
Let it reign on me
Let it reign on me
Wash me in Your Love, God
Let it reign on me (Ooh)

Let it reign on me, I know (Yeah)
Let it reign on me
Wash me in Your Love, God

Let it rain
Let it blow
You're the calm in my storm
Let it rain
Let it blow
You're the calm in my storm
Let it rain (Let it rain)
Let it blow (Let it blow)
You're the calm in my storm
Let it rain
Let it blow
You're the calm in my storm, yeah

And I can't run away from You no more!
Oh, yeah!

Let it reign on me
Let it reign on me
Let it reign on me
Wash me in Your Love, God
Let it reign on me (Ooh)
Let it reign on me, I know (Yeah)
Let it reign on me
Wash me in Your Love, God

Let it rain
Let it blow
Let it rain
Let it blow
Let it rain
Let it blow
Let it rain
