

The Painter (BBC Radio Session)

Deep Purple

Painter
Come colour up my life
Oh painter
Come colour up my life
Take away the misery
Take away the strife
Writer
Make me up a play
Writer
Make the meaning gay
[For I don't know who I am]
Just give me words to say
Singer
Let me sing a song
Singer
Let me sing a song
You don't have to worry
Cause singer you can sing along
