

# Typhon

## Spektre

Typhon is alive - Descending with allies  
From the mountain of the snake - In the deepest night of Pan  
Typhon will return - With Erebos and Nyx  
And a vision of the storm - And the Ocean and Tethys[Chorus:]  
The Dragon breaks the temple wall  
The Flood will drown our gods  
Break down the wall  
And let another kingdom rise  
The castle of Olympia  
Is shaking by the storm  
The King lost his crown  
And now the wall is tumbling downTyphon overthrow - the throne of Father Zeus  
The creation of the gods - And the order of Mankind  
Typhon is alive- Descending with allies  
And the empires will fear - All the power of ther wrath[chorus]
