

[hidden Track #2]

New Found Glory

I'm an old salty dog in the water
looking for a fish, a fish, a fish I'm going hunting in the ocean
I'm going hunting in the sea I'm going hunting in the ocean
I'm going hunting in the sea I'm going hunting in the ocean
I'm going hunting in the sea I'm on a boat in the ocean
I'm on a boat in the sea I'm on a boat in the ocean
I'm on a boat in the sea I'm going hunting in the ocean
I'm going hunting in the sea I'm going hunting in the ocean
I'm going hunting in the sea
