Haum bamba ya hum bamba he ya hum bamba ya hey  
Haum bamba ya hum bamba he ya hum bamba ya hey  
Haum bamba ya hum bamba he ya hum bamba ya hey

Haum bamba ya hum bamba he ya hum bamba ya hey  
Haum bamba ya hum bamba he ya hum bamba ya hey

Haum bamba ya hum bamba he ya hum bamba ya hey You better start thinking this is not a girl  
Believe in yourself then you can make this a nice world

This is the place that we're livin' in

Enjoy your life be fair and you will win

Don't fake the truth don't say there is nothing

Cause you know so well there is something

I play no games I don't tell no lies

I'm in a deep deep jungle I can see it in your eyes Haum bamba ya hum bamba he ya hum bamba ya hey

I'm in the jungle

Haum bamba ya hum bamba he ya hum bamba ya hey

I mean deep deep jungle

Haum bamba ya hum bamba he ya hum bamba ya hey

I'm in the jungle

Haum bamba ya hum bamba he ya hum bamba ya hey

I mean deep deep jungle It was great you know what I mean

I opened my eyes and it was a dream

It's dream what I'm talking about

From left to the right that's all without

Without pain no gain another hit no brain

And by the way the shame it wouldn't be the same

I play no games I don't tell no lies

I'm in a deep deep jungle I can see it in your eyes
