

Philthy Phil Philanthropist (Album Version)

NOFX

There's something wrong with mass consumption
Why do we want what we don't need
Alcohol burn it clean asphalt methamphetamine
Will make it seem alright, it's gonna make it seem alright now
Living in the hunger underground Some people say I got a problem with authority so
What if I do man it beats relinquishing control
Philthy Phil Philanthropist
You've taken when you should of give away
Philthy Phil you gave to us
More than we cannot repay There's something grand about being nothing
There's something lame about being grand
Alcohol squirting gun don't want no holidays in the sun
That's me not being you, that's just me not being you are
Either a part of the solution or the problem Can there not be a middle ground for just the anybody
Replace Superman with Joe Ordinary
Philthy Phil Philanderer
You've taken when you should of gave away
Filthy Phil you gave to us
More than we cannot repay
