Don't Stop Believin'

Sam Tsui

Just a small town girl Livin' in a lonely world She took the midnight train goin' anywhere Just a city boy Born and raised in South Detroit He took the midnight train goin' anywhere A singer in a smokey room The smell of wine and cheap perfume For a smile they can share the night It goes on and on and on and on Strangers waiting Up and down the boulevard Their shadows searchin' in the night Streetlight, people Livin' just to find emotion Hidin' somewhere in the night Workin' hard to get my fill Everybody wants a thrill Payin' anythin' to roll the dice Just one more time

Some will win, some will lose Some are born to sing the blues And now the movie never ends It goes on and on and on and on Strangers waiting Up and down the boulevard Their shadows searchin' in the night Streetlight, people Livin' just to find emotion Hidin' somewhere in the night Don't stop believin' Hold on to that feelin' Streetlight, people Don't stop believin' Hold on to that feelin' Streetlight, people Don't stop!
