About Your Secret

Rag Doll Sounds

Youâ€™re walking in circles when it comes to me
We are back in a place where we used to be
Youâ€™re talking in riddles, youâ€™re messing my mind
Ch-ch-changing your thoughts as soon as you want

You tell me you want me, you say â€œI love you, babyâ€•
Is that your own make up ori s that my lipstick again?
Are you my boyfriend or are you someoneâ€™s girl
I caught you looking at the boys while you were kissing me in the lips

[Chorus]
Oh! Iâ€™m standing here in line
Iâ€™m waiting for your call
Iâ€™d like to call you mine, but I notices you like boys
What are you with me for?
You donâ€™t want what I have
You dig the boy next door
I know that youâ€™re a fag.

You come late at night, you sneek in my bed
You think I donâ€™t notice, but I did, I just donâ€™t care
You look so cute pretending that youâ€™re asleep
Thatâ€™s why I stick with you I realli dig the way you look

[Chorus]

You cantâ€™ deny it
You canâ€™t deny it

You canâ€™t deny it
You canâ€™t deny it

[Chorus] x3
