

# Happy Together

## Spin

Imagine me and you, I do  
I think about you day and night, it's only right  
To think about the girl you love  
And hold her tight, so happy together

If I should call you up, invest a dime  
And you say you belong to me and ease my mind  
Imagine how the world could be, so very fine  
So happy together

I can't see me loving nobody  
But you for all my life  
When you're with me, baby  
The skies will be blue for all my life

Me and you and you and me  
No matter how they tossed the dice, it had to be  
The only one for me is you and you for me  
So happy together

So happy together  
So how is the weather?  
So happy together  
So happy together  
So happy together  
So happy
