

# Word Forward

## Foo Fighters

Good bye Jimmy, farewell youth  
I? must be on my way I've had enough of you  
Was a young man, proud and true  
Just a simple boy with nothing left to lose  
Years that I've wasted  
These I owe you's  
They're just fucking words  
This is life or death  
It's time to clear the air  
You better save your breath  
Say have you heard  
Say have you heard  
The Poison in my heart  
And voices in my head?

Years that I've wasted  
These I owe you's  
I meant every word for word for word forward  
Word for word for word forward  
Word for word for word forward  
Word for word for word forward  
But it's only words  
I meant every word  
They're just fucking words  
Word for word? for word forward  
Word for word? for word forward  
Word for word? for word forward  
Word for word? for word forward  
Word for word? for word forward
