Stronger

Colin James

I can't imagine living a day on earth without you
Now that you're here with me I'll do anything you want me to
Some women before, have only left me crying
So many promises, but they were only lying
Long chord, last song, why you taking so long?
I'll keep trying, all night to tell youOn and on and everywhere we wander
The days are cold and the nights keep getting longer
The road ahead is slowly getting harder
What doesn't kill us will only make us stronger
(yeah, yeah, yeah, yeah)For with you mama, I been burning for you so long
I can't believe I had to go and leave a happy home
And now I'm back, and loving every minute
It's hard to get up when you're deep down in it
Long chord, last song
Why you taking so long?
I'll keep trying all night to tell you
