

Must Do Something About It (Paul's Version)

Wings

I've just seen another sunset on my own.
All day long I've been alone,
and I must do something about it,
yes I must do something about it. Played another losing cardgame with myself.
Lonely joker on a shelf,
and I must do something about it,
yes I must do something about it. No one on the party line,
No one seems to need a dime,
No one even knows that I'm feeling this way. I've just seen another sunset on my own.
All day long I've been alone,
and I must do something about it,
yes I must do something about it. No one seems to need my vote,
No one has to change a note,
No one here to hold my coat,
Oh, what a day. I've just watched another movie on T.V.
No one's in the house but me,
and I must do something about it,
yes I must do something about it. Oh, oh, something about it. I've just dialed another number on my phone.
All day long I've been alone,
and I must do something about it...
