

# Violence

## The Unlikely Candidates

Maybe I should leave her  
Maybe I don't need her  
Maybe I was wrong  
Maybe she was right  
Maybe I believe her What do I have to say? (To find a mistake) What do I have to do?  
She don't know either  
She says I'm gonna show you how to act  
Momma don't talk like that, she gonna hit me with a baseball bat, yeah  
And all her lovers say She breaks the silence  
Here comes the sirens  
Bang, bang, bang  
I'm just running from the violence  
Echoes divide and she shows no kindness  
Bang, bang, bang  
I'm just running from the violence  
Running from the violence  
(Oh, oh, oh, oh, oh)  
Running from the violence  
(Oh, oh, oh, oh)  
Running from the violence Says I'm show you how to act  
Momma don't talk like that  
She gonna hit me with a baseball bat  
And all her lovers say What do I have to do?  
What do I have to say? She breaks the silence  
Here comes the sirens  
Bang, bang, bang  
I'm just running from the violence  
Echoes divide and she shows no kindness  
Bang, bang, bang  
I'm just running from the violence  
(Oh, oh, oh)  
Running from the violence  
(Oh, oh, oh)  
Running from the violence She says that I'm the one (one to find something)  
She's pulling out a gun  
Says now we're having fun  
Give me all your love, I'll never get enough  
I'll never get enough Says I'm gonna show you how to act  
Momma don't talk like that

She gonna hit me with a baseball bat  
And all her lovers say She breaks the silence  
Here comes the sirens  
Bang, bang, bang  
I'm just running from the violence  
Echoes divide and she shows no kindness  
Bang, bang, bang  
I'm just running from the violence She breaks the silence  
Here comes the sirens  
Bang, bang, bang  
I'm just running from the violence  
(I'm show you how to act) Echoes divide and she shows no kindness  
Bang, bang, bang  
I'm just running from the violence
